Other Information

Vest:	This lightweight vest is perfect for CERT operations. It is made of Kelly green tricot material, and bound with black cotton material. It comes standard with "CERT" in white letters on the back, but can be customized with a different legend, and/or have an imprint on the chest. With elastic sides and hook and loop front closure, this vest is made to fit multiple sizes.
Reflective:	Two horizontal stripes of 2" glass bead reflective are applied to the torso of this vest, both front and back.
