Materials

Material:	.063" Aluminum	Packaging:	Boxed / Bulk
Color:	Red/White and Black/Orange	Reflective Type:	3M Engineer Grade Prismatic
Size:	24" x 24" Octagon		

Sizing

Handle:	Metal w/Vinyl Grip	Printing:	Regulatory
Hardware:	Described Below		
Handle Grip:	Vinyl Grip		

Other Information

Handles/Staffs:	<p>Handle is constructed of 1" galvanized EMT tubing flattened at one end, punched to accept galvanized bolts and lock-type nuts. Paddle head is fastened to handle with 2 machine screws with nylon nuts in an offset pattern for strength. (These ship unassembled, but with complete paddle, handle, and hardware.)</p> <p>Optional Staffs:</p> <p>O-60PVC - A 1 1/4" x 60" PVC pipe with staff with a bump cap on bottom end. Upper end accepts the tubular paddle handle with grip into the staff. The staff is slotted on 2 sides to prevent the paddle head from turning when installed in the staff.</p> <p>O-72PVC - Same as above, but 72" long.</p>
