Other Information			
Handles/Staffs:	<p>Some assembly will be required upon receiving your paddles. The hardware and handle will be included in your shipment, but not attached to the paddle heads.</p> <p>We also offer a larger handle - 1.25" x 60" or 1.25" x 72" (O-60PVC or O-72PVC). On these, the upper end accepts the regular sized handle into the staff. The staff is slotted on 2 sides to prevent the paddle head from turning when installed in the staff.</p>
